

JUDSON HARMON IS PROBABLY ELECTED GOVERNOR OF STATE OF OHIO

STATE CHAIRMAN FINLEY SAYS OHIO IS DEMOCRATIC ON GOVERNOR

Nothing Definite on Balance of the
State Ticket is Yet
at Hand

Taft Carries Ohio by About 50,000--Rural Ohio
Yet to Be Heard from--Democratic
Gains in Buckeyedom.

Columbus, O., Nov. 4.—Ohio for Taft by 50,000, Harmon probably elected governor, the body of the Republican state ticket elected, the legislature safely Republican on joint ballot and nearly an even division of Congressmen, summarizes the probable result of Tuesday's election in Ohio based on the latest returns received late today:

Democratic Chairman Finley this afternoon claims the election of Harmon by 50,000. Republican managers hope later returns will overcome the lead in the big cities and this is possible. Most of the counties unreported are small in vote and Gov. Harris has a great task to overcome the Harmon lead although it is possible for him to do so.

Columbus, Nov. 4.—"The state is absolutely sure for Harmon." This was the statement made today by Chairman Finley.

Lucas county has given Harmon a plurality of 3500 and Cleveland is reported to be carried by Harmon. Democratic gains are heard everywhere. Harmon carried Portsmouth (Republican) by 312, while old Holmes county gives him 2000.

The Columbus Dispatch (Ind.) says Harmon will have 10,000 plurality. Thirty-nine counties give him a plurality of 33,000 and the same counties give Taft 50,000.

The United Press says, whether Harris, Republican, or Harmon, Democrat, is to be the governor of Ohio after the second Monday in January, is yet to be told by belated returns. Harmon has swept the cities through the influence of the liberal element, and Harris will have to show his big in the rural districts to overcome Harmon's lead in the voting centers. But it is rural Ohio that is yet to be heard from and it was rural Ohio that was counted upon to furnish Harris his plurality.

That Judge Taft has carried his home state by more than 50,000 does not seem in dispute. Democrats claiming the election of their candidate for governor by fully as large a plurality as that given the Republican candidate for president.

Republican leaders say Harris for governor will get through, but admit that he has run thousands of votes behind Taft.

The Legislature seems Republican on the face of what returns are in, but if Harmon should prove to have been elected by a big plurality, the Assembly may prove in doubt. In Lucas county Bryan is making gains and the county will probably not give Taft more than 1,800. Harmon's estimated plurality is 4,000. Estimated returns give Taft Hamilton county by 12,900 and Harmon the county by 16,000. At the present ratio in Cuyahoga county returns, unless changed by the county precincts, show Harris is running thousands of votes behind Taft.

Because of the immense ballot the counting of the vote was very slow and but few returns were received before midnight. From the start it was evident that Taft had won but the figures were slow in coming. The variable count was that for governor, which at one time indicated that Harris (Rep.) had been elected but when the morning came on Harmon, (Dem.), had a clear lead that it did not seem possible to overcome, even by the vote from the rural sections, where the Harris strength was supposed to be. Harmon's plurality at daylight, seemed to exceed 10,000. However, the Republican leaders at that time had not given up, but still claimed the election of Harris, although no figures were given.

The Democrats gained in the congressional delegation, securing one of the Congressmen, at

though Nicholas Longworth (Rep.) won in his district. In the third district a factional fight among the Republicans aided in the election of the Democratic candidate.

At the same time they indicated the election of the following to the legislature:

Senators—D. W. Williams (R.), Sixth district; M. E. Rathburn (R.), Eighth; Alonzo E. Tuttle (R.), Tenth; M. A. Duvall (R.), Twenty-Second; F. N. Patterson, Twenty-seventh-Twenty-ninth; Hugo Cory (D.), Thirty-first.

House of Representatives—A. J. Crawford (R.), Athens; John J. Connaughton (D.), Auglaize; L. H. Battlefield (D.), Crawford; Harry Crist (R.), Delaware; A. A. Huber (D.), Defiance; A. B. Canfield (R.), Fulton; L. M. Scott (R.), Harrison; W. D. Dittmers (D.), Holmes; John Gilson (R.), Jefferson; W. W. Riddle (R.), Logan; J. R. Vining (D.), Mercer; Edgar Erwin (R.), Meigs; W. E. Benz (D.), Ottawa; George B. Nye (D.), Pike; G. W. Bowers (D.), Pickaway; N. J. Dever (R.), Scioto; W. S. Ruff (R.), and Harry Hill (R.), Stark; Charles Ash (R.), Seneca; C. H. Lewis (R.), Wyandotte; George E. Reed (R.), Wood; L. K. Langdon (R.), Warren.

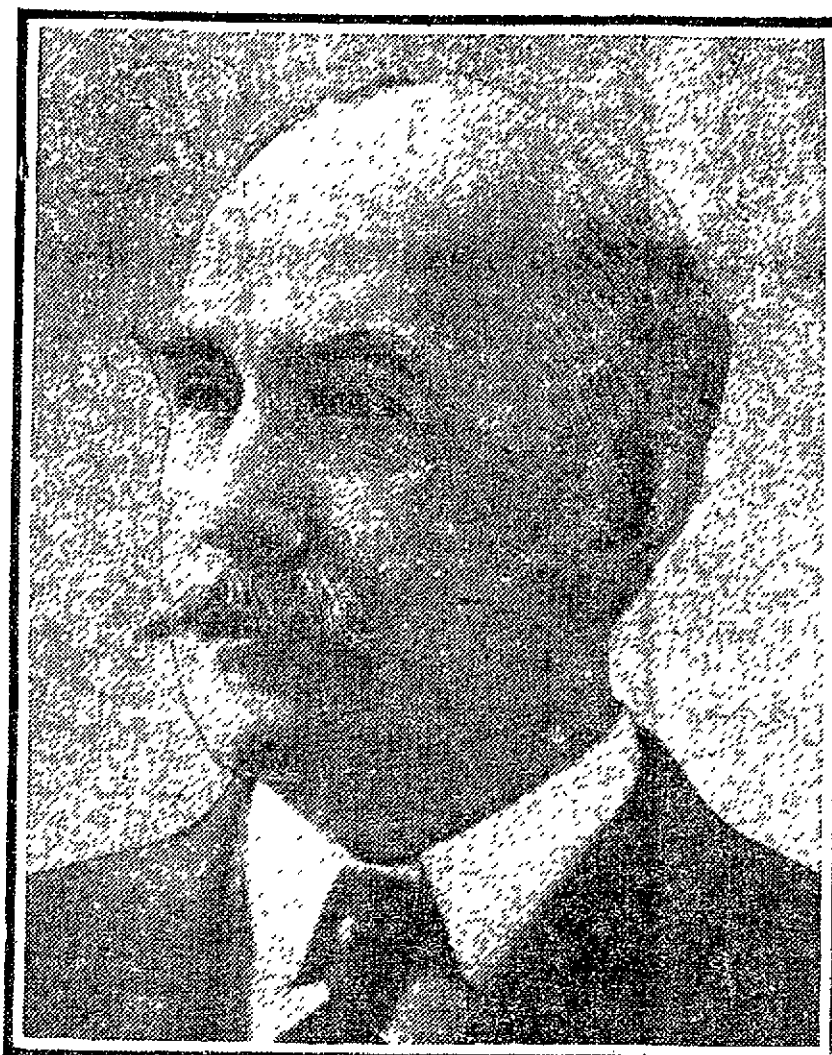

Returns from Third district show James M. Cox (D.) has been elected for congress in the Third district by a plurality of 7,000, receiving more votes than his opponents, William G. Frizel (R.) and J. Eugene Harding (Ind.). The contest has been one of the most spectacular in the history of the district.

J. Warren Keifer (R.) of Clark county was elected to congress in the Seventh Ohio district.

R. D. Cole (R.) of Hancock county was elected to congress in Eighth district.

Grant Mouser (R.) of Marion county claims he is re-elected to congress in Thirteenth Ohio district.

In the Sixteenth district D. A. Hollingsworth (R.) was elected to congress by 4,000 plurality. W. A. Thomas (R.) was elected in the Nineteenth.

JUDSON HARMON.

WM. A. ASHBROOK HAS ABOUT 7000 OVER HARRISON

Late Returns from eventeenth District Show Handsome Vote for Congressman.

Wm. A. Ashbrook's plurality is growing as each additional report from the Seventeenth district arrives. He has been re-elected congressman by an estimated plurality of some 7,000.

Mr. Ashbrook's majority in Licking county foots up something over 2,600.

New Philadelphia wires the Advocate that Tuscarawas is Democratic by 800 and that Ashbrook carries the county by 1,000.

A special telegram from Wooster

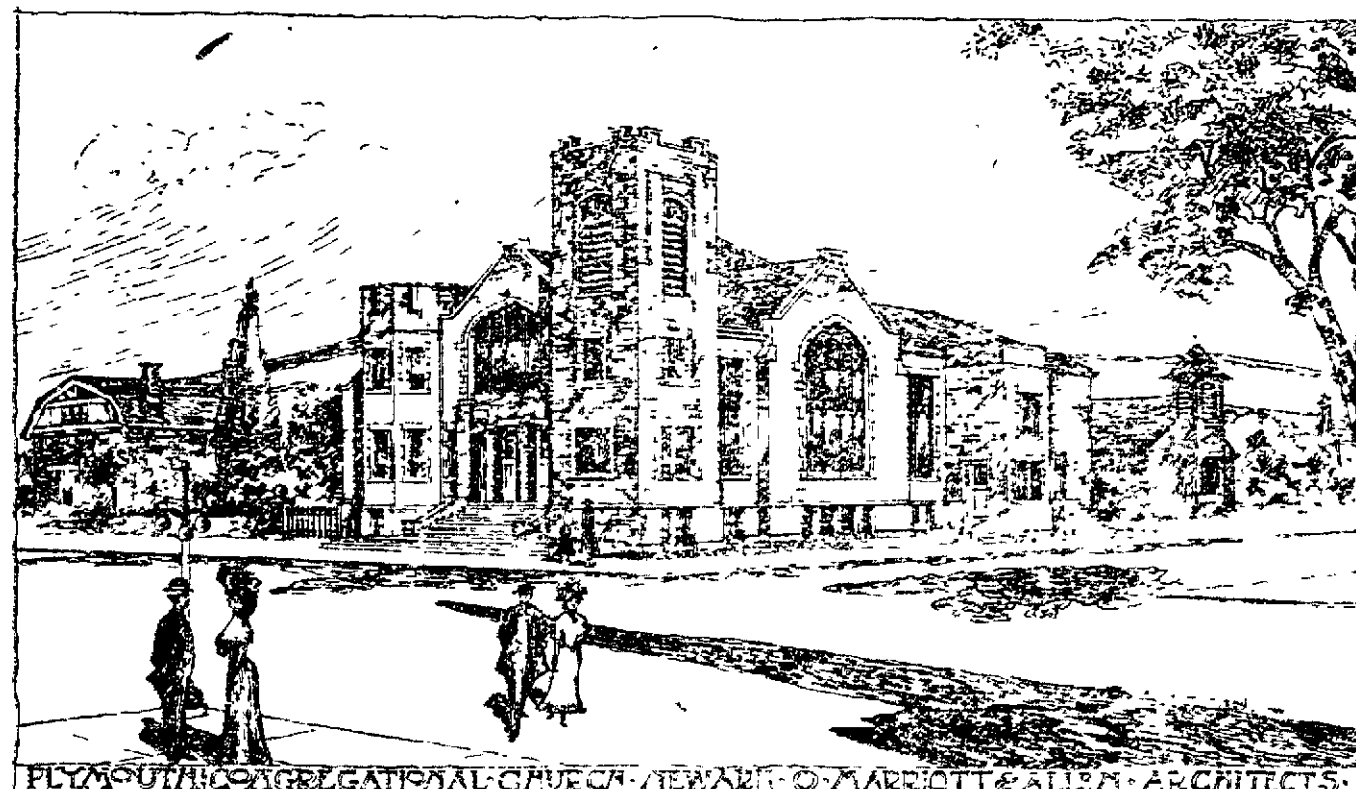

says that Wayne county will give Ashbrook over 1,000 plurality while the Advocate's Coshokton correspondent telegraphs that the Johnstown men will go under the wire there with 600 to the good Holmes county, according to advices to this paper may be counted upon for a round 2,000 for both Bryan and Ashbrook.

This will give Ashbrook a total in the district of over 7,000.

CONGRESSIONAL RETURNS.

While the congressional returns are slow in getting, it is known that the Democrats have made gains. Nicholas Longworth was re-elected in Cincinnati but his colleague Congressman Goebel, has apparently been defeated. James Cox, Democrat, has been elected from the Third district, held by Republicans for years. Grant Mouser, Republican, has apparently gone down in his effort to break the Democratic majority for a third time in the Thirteenth district. General Isaac Sherwood in the Ninth district has been returned. The Sixth district, now represented by Congressman Denver, Democrat, is in doubt, with the friends of Denver claiming his reelection. The Eleventh district is also in doubt, but with chances favoring Albert Douglass, present Republican Congressman. The Tenth district, considered doubtful has been retained by Representative A. R. Johnson being elected. The Fifteenth district, Republican, seems to have elected George White, Democrat. W. A. Ashbrook, Democrat, is returned from the Seventeenth district by an overwhelming majority. W. E. Tonnelle and T. T. Ansberry, Democrats, are also returned.

NEW PLYMOUTH CONGREGATIONAL CHURCH.

The above cut represents the handsome new Plymouth Congregational church as it will appear when completed on North Fourth street. It is to be built of Bedford stone in the English Gothic style of architecture, and when completed will be one of the best churches in Central Ohio. The church will have an auditorium with a seating capacity of 500 and a Sunday school room which seats 400, on the main floor. In the basement is placed the kitchen, dining room, lecture room, and church parlors. The building will be finished in oak and yellow pine, heated by steam, will have plumbing and electric lights. The complete cost will be \$35,000. The architects are Marriott & Allen of Columbus.

TAFT AND SHERMAN ARE THE VICTORS

OHIOAN HAS 298 Votes
in Electoral College
It's Claimed

Kentucky, W. Va., Democratic and
Indiana Will Have Democratic Governor.

New York, Nov. 4.—The next president of the United States will be William Howard Taft, Republican, of Ohio. The next vice president will be James Schoolcraft Sherman, Republican, of New York.

William J. Bryan of Nebraska, the Democratic candidate, went down in the third defeat of his life's ambition to occupy the White House.

Returns received up to 10 a. m. today indicated that Mr. Taft would have at least 298 electoral votes, and as the details came in an increasing

WILLIAM H. TAFT.

fullness from the west, it began to look as if the figure might reach the 325 mark claimed as assured to him in the ante-election forecast of Chairman Hitchcock of the Republican national committee, or possibly even approximate the 336 achieved in 1904 by Mr. Roosevelt. The number necessary to a choice is 242.

One of the results, surpassing the most sanguine hopes of most Republicans, was Mr. Taft's carrying the Greater City of New York by a plurality which early today, with 94 out of 1,033 districts missing, footed 9,378. Furthermore his plurality in New York state will be approximately 189,334, exceeding by nearly 14,000 Roosevelt's big plurality of 1904.

Only second in point of general interest was the victory of Governor Charles E. Hughes, who was re-elected by a plurality estimated early today as well above 75,000 over the vote cast for his Democratic opponent, Lieutenant Governor Chanler. While Greater New York gave a plurality for Taft, it gave Chanler a margin of 56,843.

With thirty-one United States senators to be elected by the states chosen yesterday or earlier, the fall, and in the light of the results in the several states so far as known early today, the Republicans will retain their control of both houses of congress, the precise figures being subject to change as final returns arrive.

Missouri has returned to the "solid south" on the presidential ticket and elected Cowherd as its governor.

Mr. Taft carried practically every so-called doubtful state except Nebraska. Mr. Bryan has carried Nevada and Montana, in addition to the solid south, which includes Missouri.

The Pacific coast states, California, Washington and Oregon, have given their votes to the Republican candidate, but Nevada, which voted against Parker in 1904, gave its votes this year to Bryan. Montana, the Dakotas and Minnesota are again Republican, but Governor Johnson's personal popularity has sufficed to seat him again in the gubernatorial chair of the North Star State. Wisconsin, Michigan, Iowa and in fact the entire west and northwest are Republican, but as not a above, by lowered majority

The "solid south" is still solidly Democratic, Mr. Bryan polling the usual large majorities. Only in Maryland has the Republican party made serious inroads on the Democratic vote, and in that state not sufficiently to change the result. Delaware, about which some doubt was expressed before the election, has gone Republican. The New England states have gone for Taft and have elected Republican governors, but the vote in Rhode Island, where the Democrats made a strong fight, is very close. In Massachusetts the Independence party a good showing, though running far behind the vote of Thomas L. Hisgen last year.

BY DEMOCRATS

is Captured the Blue Grass State. Plurality 13,000.

Louisville, Ky., Nov. 4.—Bryan's plurality in Kentucky of 13,000; nine and possibly ten Democratic congressmen elected—a Republican loss of two seats—this is the story of the election in Kentucky at the close of a day which was marked by the polling of the largest vote in the history of the state. The ratio of gains has been consistent throughout the state, and Mr. Bryan has undoubtedly added another thousand to Parker's plurality of 11,893. In the Fifth district (Louisville) Taft was victorious by a plurality of 478. Sufficient returns have been received to indicate with certainty the election of Democrats to congress in all of Kentucky's 11 districts except the Ninth and Eleventh. The Eleventh is solidly Republican and the Ninth is in doubt. The figures on the electoral vote indicate a bare possibility that Taft will

cure one of Kentucky's ballots in the electoral college.

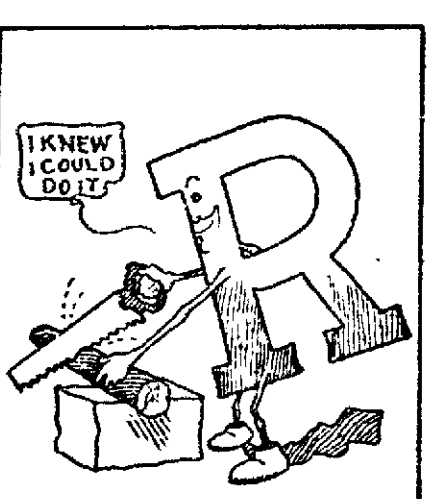

Kentucky Congressional Results. Louisville, Ky., Nov. 4.—Returns so far received indicate the election of the following Kentucky congressmen: First district, Ollie M. James (D.), re-elected; Second, A. O. Stanley (D.), re-elected; Fourth, Benjamin Thompson (D.), elected; Fifth, Swager Sherley (D.), re-elected; Sixth, Joseph L. Rheineck (D.), re-elected; Eighth, Harvey Helm (D.), elected; Eleventh, Don C. Edwards (R.), re-elected.

FOR BRYAN

Tremendous Gains in Nebraska, His Home State.

Lincoln, Neb., Nov. 4.—Indications are that Nebraska has gone Democratic by a plurality not far from 10,000 for Bryan and a plurality scarcely less for Shellenberger for governor. The result was a surprise and a disappointment to the Republican management, which, while admitting the state was doubtful on the national ticket, confidently expected their state ticket to be elected. Various Ships.

Amoy, China, Nov. 4.—The seventy-fourth anniversary of the birth of the Dowager Empress of China was celebrated yesterday and the event was made the greatest day of the festivities in honor of the visiting American battle ships under Rear Admiral Emory. There was a reception on board the Chinese cruiser Haichi and another one on shore at the Nan Pu Tzu Miao Temple at noon. A national salute was fired at noon by all the warships.

Three thousand men were ashore from the battle ships during the day. The cutter and gig races went to crews from the Louisiana, and the baseball nine from this vessel defeated the Wisconsin team 14 to 4. The 100-yard dash was won by a man from the supply ship Culgoa, while second honors went to the Kentucky and third to the Ohio. In the running broad jump a man from the Virginia won, the Kentucky entrant was second and the Mississippi third. The high jump went to the Missouri, with the Virginia second and the Kentucky third. In the tug of war the third division defeated the fourth division. Prince Yu Lang congratulated the winners in person.

A Chinaman detected selling spurious gold ornaments to men of the fleet was summarily punished yesterday and ordered to refund all the money he had taken in. The strict rules were slightly relaxed and more Chinese were allowed to enter the reception grounds.

of Lincoln was the result of the election. Not only did Mr. Bryan reverse a Republican plurality of 1,600 in his home city, but he carried it by a plurality of something in excess of 600. The vote in Omaha was also a surprise. Returns outside of Lincoln and Omaha show an average Democratic gain of eight to the precinct. Indications are for the election of Polard (R.) in the First district and Hinshaw (R.) in the Fourth. Hitchcock (D.) wins in the Second, and the Third, Fifth and Sixth are in doubt. No returns have been received on the legislature, but the strong trend toward Democracy indicates a possible Democratic legislature.

VOTE FOR TAFT

Pacific Coast States in the Republican Column.

San Francisco, Nov. 4.—There was no state election in California to complicate the issues, and the Republican national ticket carried the state by about 40,000 majority. In 1904 Roosevelt carried the state by 115,822 over Parker. The solid Republican delegation has been re-elected without change, and a Republican state legislature insures the election of a Republican to succeed Senator Perkins. The proposition to remove the state capital from Sacramento to Berkeley has been rejected.

Washington.

Seattle, Wash., Nov. 4.—Washington's five electoral votes will be cast for Taft, the Republican candidate having carried this state by a popular majority of 30,000, reducing Mr. Roosevelt's majority in 1904 by 43,442. Samuel C. Cosgrove, Republican, has been elected governor, and the state's legislature will remain Republican by a large majority.

Oregon.

Portland, Ore., Nov. 4.—Returns from all parts of the state indicate that Taft has a large majority. There was no state election.

New Jersey.

Trenton, N. J., Nov. 4.—Revised returns indicate that Mr. Taft's plurality in New Jersey will be between 65,000 and 75,000. In all the counties outside of Essex and Hudson the vote did not vary greatly from the plurality given Mr. Roosevelt in 1904, when he carried the state by 51,000. Roosevelt's plurality of 35,000 in Essex county was expected to be cut down to about 18,000 for Taft. In Hudson Parker's plurality of 1,300 was increased to about 7,000 for Bryan. The Republicans elect seven of the ten congressmen and the Democrats two, the Sixth district being in doubt. Both houses of the legislature will be strongly Republican.

Utah.

Salt Lake City, Nov. 4.—Mr. Bryan has lost Utah by a majority estimated at 5,000. 52,500 of the state's 100,000 votes going to Mr. Taft. William Spry, Republican, has been elected governor by a small majority.

Taft Wins in South Dakota.

Pierre, S. D., Nov. 4.—This state has been carried by Taft by a plurality estimated at 15,000. In 1904 Mr. Roosevelt received a plurality of 50,114. Robert S. Bessey, Republican candidate for governor, has been elected.

Explorers Not in Want.

New York, Nov. 4.—The anxiety of the authorities of the American Museum of Natural History regarding the explorers of the Steffansson-Anderson Arctic expedition, who at last reports were short of supplies in the Arctic regions, has been relieved by news from Point Barrow Aug. 29, saying expected ships had come in after the ice had broken and that from the whalers about four tons of provisions and other necessities had been obtained. Mr. Steffansson left New York last April to spend a year and a half or two years and a half among the Esquimaux.

West Virginia Carried by Bryan.

Wheeling, W. Va., Nov. 4.—West Virginia, classed as a doubtful state before the election, has voted for Bryan as a result of the split in the Republican ranks. His plurality in the state is 9,000, 22,765 less than Mr. Roosevelt's plurality in 1904. The Republican division helped to elect Louis Bennett, Democratic governor.

Michigan For Taft.

Detroit, Mich., Nov. 4.—Both sections of this divided state have gone Republican, the total plurality for Mr. Taft being 100,000. A Republican loss of 127,715 since 1904. Governor Fred M. Warner, Republican, will retain his seat.

North Dakota Republican.

Bismarck, N. D., Nov. 4.—South Dakota has gone Republican, giving Mr. Taft 40,000 of its 70,000 votes. This is a Republican falling off of 28,322 since the last presidential election.

Delaware Goes Republican.

Wilmington, Del., Nov. 4.—Delaware, considered doubtful before the election, has gone Republican, giving three electoral votes to Taft. Simeon S. Pennewell, Republican, will be the new governor.

Wyoming Republican.

Cheyenne, Wyo., Nov. 4.—This state's three electoral votes will be cast for William H. Taft, but his popular majority is considerably below that of Mr. Roosevelt.

Delaware.

Wilmington, Del., Nov. 4.—Taft's indicated plurality in Delaware is 2,000 and the Republican state ticket, headed by Simeon S. Pennewell for Governor and William H. Heald for Congress, is elected by about the same plurality with the exception that Davis, Republican candidate for attorney general, is probably defeated by Andrew C. Graw, Democrat.

The successful candidate is a son of Judge George Gray.

NEW YORK GOES TO REPUBLICANS

Taft and Hughes Win Easily in Empire State.

METROPOLIS GIVES PLURALITY

Heavy Vote Cast Throughout State. Both the Old Factions Polling Full Strength — Next Legislature Will Be Republican — Both Branches. Governor Hughes Expresses Gratitude at Result of Election — Minor Organizations Have No Effect On the General Result.

New York, Nov. 4.—As the result of yesterday's election New York state's 39 electoral votes will be cast for William H. Taft and James S. Sherman. Both the Republican national and state tickets are victorious, Charles E. Hughes being re-elected governor.

Taft carried Greater New York by about 9,500, his plurality in the state being in excess of 193,000. Reports from all parts of the state indicate that the vote was heavy, the efforts of both gubernatorial candidates to bring out the ballots being rewarded with success. Both the old parties polled full votes, their strength not being seriously affected by the independence, Socialist and other minor parties. Shearn, Independence party candidate for governor, ran ahead of Wanhope, the Socialist nominee.

The state's congressional representation will be divided, as at present, among the two parties, with one change. Hillquit, Socialist, elected in the Ninth district in place of Riordan, Democrat. The next legislature will be Republican in both branches, insuring a Republican successor for Senator Thomas C. Platt, who will leave the senate in March. "I need not say that I am greatly pleased with the result of the election," declared Governor Hughes. "I felt certain that the people would endorse the administration of President Roosevelt by electing Secretary Taft, and I consider my own re-election as an approval of the policies pursued by the state administration during the past two years."

Minnesota.

Minneapolis, Minn., Nov. 4.—Governor John A. Johnson's efforts in behalf of the Democratic national ticket have not succeeded in giving the electoral vote of the state to Mr. Bryan, but have availed in re-electing him by a small majority. Taft's majority is awarded to be 80,000. Governor Johnson's majority of 76,833 two years ago was reduced to 10,000 this year.

G. O. P. Carries Wisconsin.

Milwaukee, Wis., Nov. 4.—Mr. Taft's plurality in this state is 70,000 being 66,057 less than the majority rolled up by Mr. Roosevelt four years ago. Governor James O. Davidson has been re-elected, and the state's congressional delegation, nine Republicans and two Democrats, will remain the same in the next congress. The legislature will be Republican, and Senator Stephenson will be re-elected.

West Virginia Carried by Bryan.

Wheeling, W. Va., Nov. 4.—West Virginia, classed as a doubtful state before the election, has voted for Bryan as a result of the split in the Republican ranks. Cheyenne, Wyo., Nov. 4.—This state's three electoral votes will be cast for William H. Taft, but his popular majority is considerably below that of Mr. Roosevelt.

Delaware.

Wilmington, Del., Nov. 4.—Taft's indicated plurality in Delaware is 2,000 and the Republican state ticket, headed by Simeon S. Pennewell for Governor and William H. Heald for Congress, is elected by about the same plurality with the exception that Davis, Republican candidate for attorney general, is probably defeated by Andrew C. Graw, Democrat.

The successful candidate is a son of Judge George Gray.

Wilmington, Del., Nov. 4.—Taft's indicated plurality in Delaware is 2,000 and the Republican state ticket, headed by Simeon S. Pennewell for Governor and William H. Heald for Congress, is elected by about the same plurality with the exception that Davis, Republican candidate for attorney general, is probably defeated by Andrew C. Graw, Democrat.

REPUBLICANS

Make Clean Sweep of the New England States.

New Haven, Conn., Nov. 4.—The Republicans swept the state of Connecticut fully as completely, perhaps a little more so, as four years ago. Taft carrying the state by more than 30,000 plurality, and George L. Libby, the Republican candidate for governor, going to office by about 15,000 plurality over Judge A. Heaton Robertson. All the five congressmen are Republicans, by pluralities equal to those of two years ago. The entire Republican state ticket is elected as usual, while the general assembly is more strongly Republican than for a good many years.

Massachusetts.

Boston, Nov. 4.—This city, together with the rest of Massachusetts, has gone Republican, giving Mr. Taft sixteen electoral votes. The popular vote is: Taft, 220,000; Bryan, 180,000; Hughes, 40,000; Debs, 10,000. The plurality of the Republican candidate is 40,000 over Mr. Bryan, but the votes of the two minor candidates, added to those of the Prohibition and Socialist Labor nominees, were large enough to deprive the Republican party of a majority of the votes in this state.

The gubernatorial vote is as follows: Draper (Rep.), 230,000; Vahcy (Dem.), 160,000; Osgood (Independent), 50,000; Carey (Socialist), 10,000. In 1904 Parker, Democrat, received 165,746 votes to Roosevelt's 237,822. Hisen ran behind his vote for governor last year by 35,189 votes.

Rhode Island.

Providence, R. I., Nov. 2.—Rhode Island's four electoral votes will be cast for William H. Taft, whose popular majority in the state is 3,000. The increased vote for Mr. Bryan in this city and other manufacturing centers accounts for the decrease of 6,766 in the Republican majority since 1904. Aram J. Pothier, Republican, of Woonsocket was elected governor.

Maine.

Portland, Me., Nov. 4.—Maine has returned its usual large majority for the Republican candidate, although Mr. Taft's vote did not reach the 36,091 majority polled by Mr. Roosevelt in 1904. The vote is as follows: Taft, 60,000; Bryan, 33,000. No state election was held, as Maine elected a Republican governor and Republican congressman in September.

New Hampshire.

Concord, N. H., Nov. 4.—New Hampshire gave Mr. Taft almost as large a vote as it did Mr. Roosevelt four years ago. The balloting resulted in a majority of 18,000 for the Republican candidate, which is a decrease of 2,135 since the last presidential election. Henry B. Quincy, Republican, has been elected governor.

Vermont.

Montpelier, Vt., Nov. 4.—Vermont has gone Republican by 23,000, a falling off of 2,682 since 1904. There was no state election.

Illinois.

Chicago, Nov. 4.—Early morning returns did not materially change figures sent out last night. Taft carried Cook County by 72,000 and the city of Chicago by 56,000. Taft's plurality in the state, including Chicago and Cook county, is estimated at from 170,000 to 175,000. The entire Republican state ticket was elected. Charles S. Deneen for governor receiving a plurality of about 40,000. The congressional delegation from this state will consist of 19 Republicans and 6 Democrats, the Democrats gaining one in the Eighth district, where Thomas Gallagher, Democrat, succeeded Charles McGavin, a Republican. The proposition to issue bonds to the amount of \$20,000,000 for the purpose of aiding in the construction of a deep waterway from the lakes to the gulf was carried by an overwhelming majority.

Indiana.

Indianapolis, Ind., Nov. 4.—For the first time since Thomas A. Hendricks was elected governor on the Democratic state ticket and U. S. Grant received one electoral vote of the state for the Republican national ticket, Indiana has given a plurality to the Republican candidate for president, William H. Taft, and elected Thomas R. Marshall Democratic candidate for governor. Whether Marshall will carry the rest of the state ticket with him, is a matter of conjecture. According to the latest estimate, Mr. Taft received a plurality of about 15,000 and Mr. Marshall was victorious over James E. Watson, Republican candidate by about 5,000.

Pennsylvania.

Philadelphia, Pa., Nov. 4.—The latest returns show that Taft has carried Pennsylvania by a plurality that will be nearer 400,000 than 300,000. A heavy vote was polled throughout the state, due principally to the many warm contests in the legislative districts, if they do not in legislative districts. The Republicans hold their own in the congressional districts, if they do not increase their representation. There is practically no change in the Republican representation in the legislature.

Wisconsin.

Milwaukee, Wis., Nov. 4.—Taft and Sherman have carried Wisconsin with a plurality estimated at 75,000, and Governor Davidson (R.) has been re-elected by a safe plurality close to Taft's. Republicans have elected nine out of 11 congressmen, the Democrats one, with the fourth still in doubt. The legislature will be overwhelmingly Republican.

CURES CATARRH

Hall's Drug Store Will Furnish the
Medicine Free in Every Case
Where They Fail to
Cure Catarrh.

Neglect or pessimism we believe is
the greatest enemy the public have
to contend with when applied to the
loss or recovery of health. Practically
every case of consumption might
have been cured if hope had been
maintained and proper treatment
had been resorted to at the first
symptom of the disease. Until the
advanced stage is reached, consump-
tion is curable. Catarrh is responsi-
ble, we believe, for every case of
consumption. It is about Catarrh
we want to talk to you today, in-
cidentally consumption, since the two
are so closely allied.

We have a medicine made from
the prescription of one of the most
successful catarrh specialists known.
This medicine has a record of 98 per-
cent. of cures, and we believe it is
positively without an equal. We are
so satisfied that we are right, that
we will supply the medicine free in
every instance where it is used ac-
cording to directions for any reason-
able length of time and fails to cure
and give satisfaction in every particu-
lar. We want everyone in Newark
to try this medicine at our risk.
There are no conditions or formality
attached to our offer. We put the
user under no obligation whatever.

The medicine we want you to try
is Rexall Mucu-Tone. It is a catarrh
remedy that goes direct to the seat
of trouble. It is carried by the blood
to every part of the system. It seeks
out and destroys the germs or para-
sites which cause Catarrh. It purifies
and enriches the blood, tones up the
mucous cells, soothes and heals the
tissues that were ravaged by the cat-
arrh parasite, and brings about a
condition of health and strength that
prevents the germs of consumption
from ever getting a start. Besides
this, Rexall Mucu-Tone is a wonder-
ful appetite, digestive aid and flesh
builder. Its good effects are felt
from the very first dose. It is one
of the largest and most satisfactory
selling medicines that we have ever
had anything to do with. We know
so much of the great good that it has
done that we personally back it up
with our reputation and money, which
fact should be ample guarantee to
satisfy anybody.

Rexall Mucu-Tone comes in two
sizes, 50c. and \$1. We urge you to
try it. Hall's Drug Store, 10 North
Side Square.

AVIATORS INJURED

ACCIDENTS MAR OTHERWISE
SUCCESSFUL TOURNAMENT
OF AERONAUTS.

Montreal Man Falls 40 Feet and is
Badly Hurt—Boy Struck by a
Motor Cycle.

New York, Nov. 4.—Two accidents
of a serious nature marred the first
annual tournament of the Aeronautic
society held at Morris Park in the
presence of a crowd of several thou-
sand spectators. Lawrence J. Lesh of
Montreal, the record holder for towed
flights in a glider, dropped a distance
of 10 feet, sustaining a fracture of his
right leg, and Fred Young, an eight-
year-old boy, was struck by a motor
cycle and badly lacerated. The only
successful flight was that of Prof. John
Mack of Bridgeport, Conn., who as-
cended 3,000 feet in an old fashioned
hot air balloon.

The more modern airships were
either unable to rise or else met with
accidents when they did leave the
ground.

The motor cycle portion of the pro-
gram, however, furnished many ex-
citing finishes.

The Advocate roosters crow for the victorious local ticket.

Licking county Democrats have occasion to rejoice even if the national ticket did go down in the landslide.

There'll be a housecleaning soon at the court house. Once more members of the Democratic party will assume charge of the offices of auditor, sheriff, recorder, surveyor and county commissioners.

The demand for the Advocate's extra morning edition exceeded all expectations. The press was kept at work until late in the morning, and the pages were dismantled only after the demand had apparently been supplied. Then there was renewed demand and the supply fell short before all were supplied. It was indeed a banner day for the Advocate.

The returns show that the home town of Congressman Ashbrook has disproved the old saying that a prophet is not without honor save in his own country. In the two precincts in Monroe township he received 362 votes while his opponent received 110 or a plurality of 252 and 112 more than Bryan. The handsome vote given that other Johnstown citizen, Senator-elect Wm. A. Aldorf, is also a feature of the election. Johnstown is indeed loyal to her citizens but it seems the whole congressional district held Mr. Ashbrook in the same favor as he ran ahead of the ticket in nearly every precinct.

Well, it's all over but the shouting; now let's get down to business.

Mr. Roosevelt has landed his man. Now it remains to be seen whether T. R. will be the nominee a few years hence to be followed possibly by son-in-law Longworth.

William Linke, sheriff; that isn't half bad, is it?

Ed Larason is well fitted to succeed Mr. Harsey. He has had the experience and of course he got the votes.

C. L. V. Holtz deserved the second term that the people have given him.

The top of the evening to you, Auditor Riley. Here's wishin' you the best there is.

Judge Brister has presided with dignity and signal ability. All rejoice in his re-election.

J. M. Farmer is P. M. Brill's successor. The voters made no error in so ordaining. He is the right man in the right place.

Phil B. Smythe is an experienced lawyer with special talent in criminal cases. He will make a first rate county prosecutor.

LICKING COUNTY REDEEMED

ADVOCATE EXTRA MAKES A HIT WITH THE PEOPLE OF NEWARK

Copies Delivered to Subscribers and Sold in Large Numbers by Newsboys--Bulletin Service Best Ever Attempted in the City.

All Newark is talking about the Advocate's splendid election news services.

Never before was the election news placed before the public in so complete form notwithstanding the obstacles that confronted the newspaper.

The Advocate's six o'clock extra Wednesday morning sold like hot cakes in spite of the fact that the carrier boys delivered copies of the paper to the subscribers throughout the city. Downtown people and visitors quickly bought up the newspaper supply of papers and the big 12-page color press recently installed in this office was kept busy until late in the forenoon turning out copies of the paper.

The news contained in this paper surpassed all other morning editions as it contained not only an extensive special wire service but the Western Union, Newark Telephone and Central Union Telephone companies' services as well. The act that the returns were so slow in arriving made it impossible for the morning papers to give more than a guess on everything except the election of Judge Taft, which fact was bulletined at this office early Tuesday night.

The Advocate's bulletin service made a special hit as the news received by telegraph and over four telephone lines was projected upon a big screen in typewritten form, a new feature for this locality.

At 6 o'clock only 40 precincts out of 58 in Licking county had reported. It was late in the day before the final precinct had reported. Never before have the election judges and clerks and the Board of Elections had such a strenuous day. In many cases the men who went on duty at 5:30 a. m. Tuesday were not relieved until late Wednesday morning and the election board remained in continuous session to receive the Licking county returns.

While the election of the Republican national ticket was conceded early, the splendid showing of the local Democracy in a measure softened the national blow. Old Licking redeemed herself by electing the entire Democratic ticket by handsome pluralities and the vote in Ohio added much encouragement to supporters of Democratic principles.

Congressman Ashbrook is re-elected by a splendid vote and Wm. A. Aldorf is counted as a surprising winner for state senator.

The Advocate is proud of its achievement in presenting the news to the people in a creditable manner and rejoices in the emphatic way in which the citizens have expressed their appreciation of this newspaper's enterprise.

Robert W. Howard gets another term in the state legislature. Mr. Howard served his constituents efficiently and is rewarded by re-election. Good luck, Representative Howard.

Congressman Ashbrook and Senator Aldorf—two No. 1 Johnstown citizens. Johnstown has reason to be proud of her two winners.

Fred S. Cully is experienced and capable. He will do the work of county surveyor in an efficient way.

Messrs. Brownfield, Tatham and Tavener, all loyal Democrats, constitute the new Board of County Commissioners. The Advocate extends congratulations and good wishes.

The new Infirmary Board consists of Messrs. Brubaker, Redman and Dudgeon, three loyal Democrats and good citizens.

Coroner L. L. Marriott not only ran ahead of his ticket in his home town but received a fine vote all over the county. The doctor is deservedly popular.

WATER WORKS BONDS.
As to the vote on the proposed \$100,000 water works bond issue is incomplete, but the indications are that it carried. Eight precincts gave for the issue of bonds 1416, against 150.

LET OHIO KEEP UP HER GOOD RECORD

Ohio has long been known as the "mother of Presidents." Harrison, Grant, Hayes, Garfield, McKinley testify to her right to the title and now comes the Buckeye state presenting to the Nation another President in the person of Wm. H. Taft.

Ohio is making a record for herself but let's have the good work go on. We suggest an Ohioan for the nomination for the presidency in 1912. Governor-elect Judson Harmon, a true Buckeye, a Licking county student, a man of affairs and broad intelligence, a man able, capable of grasping the affairs of state and of piloting the Nation in the right course, a man of learning and of national eminence, a Democrat who is able to carry a strongly Republican state like his own state of Ohio. May the suggestion take root and grow. Here's hoping.

Mr. Clem Riley, who as a candidate in the Roosevelt landslide of four years ago ran many votes ahead of his ticket, is a winner today by a majority that bespeaks his personal worth and popularity. He will make an efficient Auditor.

For many years the late William Bell, Jr., enjoyed the distinction of having received the largest majority ever given to a candidate in Licking county. It was in the year 1871, when as the Democratic candidate for Secretary of State Mr. Bell received a majority of some 2,100. But now comes our Congressman, William A. Ashbrook, who breaks the record and pulls up to parity in Old Licking of 2,500.

THREE HUNDRED SECONDS LATER

OR FIVE MINUTES AFTER TAKING DIAPEPSIN ALL INDIGESTION VANISHES.

Absolute Relief From All Your Stomach Trouble Is at the Drug Store Waiting For You.

Miserable is the man or woman who suffers from dread indigestion or dyspepsia. There are few diseases which create such misery, long drawn out suffering, as indigestion. It pursues them before meals, after meals and between meals; they take it to bed with them. It is with them wherever they go, though indigestion is the simplest disease of all to cure.

Tell such afflicted ones, dear reader, of Pape's Diapepsin: urge the sufferer to go to any Pharmacy here and give 50 cents for a case. Such a sufferer would ever bless you, because five minutes after taking there would be no more indigestion, no feeling like a lump of lead in the stomach or heartburn, or fullness and discomfort, no belching of Gas, Eructations of Sour food, Debilitating Headache, Nausea, Water Brash and other symptoms of a sour, disordered stomach.

Pape's Diapepsin will digest anything you eat without the aid of the Stomach.

Diapepsin is a wonderful Stomach purifier and splendid to keep the intestines clean and fresh; then your food will not ferment and poison your breath with nauseous odors.

Diapepsin will rest the stomach and increase the gastric juices; this is what is mostly needed—more and better digestive juices—and no Gas—then indigestion and all Stomach trouble will go.

Each 30-cent case contains sufficient to usually thoroughly cure the most chronic dyspepsia.

ASHBROOK'S BIG MAJORITY

Hon. William A. Ashbrook has the proud satisfaction of having received the largest majority ever given to a Congressional candidate in Licking county. Old Licking gave him the surprising majority on Tuesday of 1,800. But not only did Mr. Ashbrook break the record in Licking county but he is the recipient of the largest majority ever given to any candidate for Congress in the Seventeenth district. The latest obtainable figures indicate that his majority will reach the unprecedented figure of between 6,000 and 7,000.

Mr. Holtz's unprecedented majority for re-election simply shows how the people of Licking county appreciate a splendid officer.

Sheriff-elect Linke's motto: "Faithfulness to the people and strict integrity in the discharge of the duties of public office." On this our new Sheriff went before the people and won.

Bryan planned his faith to Union Labor and made its cause the climax of his campaign. But Union Labor did not vote for itself.

TAFT ON ELECTION

Hopes and Believes It Will Prove Beneficial to All.

Cincinnati, O., Nov. 4. — After expressing his deep appreciation of the affection shown him by his friends and neighbors who joined in a great demonstration here, Judge Taft said the election had been a most important one and he hoped and believed would prove to be wholly in the interest of the whole country in promoting a return of prosperity. "If the present returns are confirmed," he continued, "indicating a complete Republican victory, it shows that not only the business men, but the laboring men, wage earners and the farmers have had confidence in the Republican party and the Republican ticket. It indicates that they were independent and would not be controlled by any leader who might propose to deliver them to one party or another. "Now, my friends, as I say if those returns are confirmed by a decisive Republican victory, if the congress and the executive shall be Republican, I say that so far as I can pledge to you my energy and all the ability that in me lies shall be used to make the next administration a worthy successor of that of Theodore Roosevelt and beyond that I claim nothing higher."

IN DIXIE

Latest Returns Show That the South Is Still Solid.

St. Louis, Nov. 4.—Missouri has re-elected the Republican victory of 1904 and is again in the Democratic ranks by a majority of 30,000. St. Louis went Republican by a small majority. William S. Cowherd has been elected governor.

Maryland.

Baltimore, Nov. 4.—Belated returns from the counties show continued gains for Bryan, and Republicans now admit that Taft will carry the state by only about 800. The Republicans have lost heavily in both the Fifth and Sixth districts. Congressman Mudds plurality of 3,393 of two years ago is reduced to about 300, and Congressman Pearre, who two years ago carried his district by 4,64, will this time have only about 400 votes to spare, according to returns thus far received.

Texas.

Austin, Tex., Nov. 4.—William H. Taft did not make as good a showing in this state as President Roosevelt, who polled 51,242 votes in 1904. The vote this year is approximately as follows: Bryan, 220,000; Taft, 20,000. Thomas M. Campbell, Democrat, has been re-elected governor.

Georgia.

Atlanta, Ga., Nov. 4.—Georgia's 13 electoral votes will be cast for William J. Bryan, and the state's representation will continue solidly Democratic. The state election was held in September. The Taft vote in this state fell 10,000 below that of Mr. Roosevelt, which was 24,003.

Florida.

Jacksonville, Fla., Nov. 4.—Albert W. Gilchrist, Democrat, has been elected governor of Florida and the Democratic national ticket has carried the state by a majority of 25,000, the Republican vote showing a loss of 8,000 since 1904.

South Carolina.

Charleston, S. C., Nov. 4.—The Republican party polled only 2,000 of the 58,000 votes in this state, running slightly behind the figures of four years ago. M. F. Ansel has been re-elected governor without opposition.

Virginia.

Richmond, Va., Nov. 4.—The Old Dominion is still safely within the Democratic ranks by a very large majority. Taft polled only 30,000 votes in a total of 130,000, a Republican loss of 17,880 since 1904.

North Carolina.

Raleigh, N. C., Nov. 4.—The Democratic national ticket has carried North Carolina by a majority of 25,000, the total vote being 210,000. W. W. Kitchen has been elected governor.

Oklahoma.

Guthrie, Okla., Nov. 4.—The seven electoral votes of the new state, the first to be cast, will go to William Jennings Bryan, who received 70,000 of the state's 125,000 votes.

Alabama.

Montgomery, Ala., Nov. 4.—Bryan, 90,000; Taft, 13,000, are the election figures in this state. Mr. Taft polled 8,472 fewer votes than Mr. Roosevelt did in 1904.

Arkansas.

Little Rock, Ark., Nov. 4.—Arkansas has given Mr. Bryan a majority of 20,000, an increase of 12,436 over the vote polled by Mr. Parker in 1904.

Colorado.

Denver, Nov. 4.—Colorado, which gave Mr. Roosevelt a majority of 24,582 in 1904, has again gone Republican, but by less than 8,000. Jesse F. McDonald has been elected governor, and three Republican representatives have been chosen.

Montana.

Helena, Mont., Nov. 4.—Returns in Montana outside of Silver Bow, where machines were used, are coming in slowly, but indications point to a complete victory for the Democratic state ticket and election of Democratic presidential electors. In Missoula three precincts which four years ago were heavily Republican gave Bryan a plurality of 25 per cent.

Little Genevieve Smith, 128 Grandville street, was attacked by a large shepherd dog owned by her parents, and was severely bitten in the right arm. LICKING COUNTY MAKES A FINE SHOWING AT ELECTION ON TUESDAY.

Entire Local Ticket Elected by Hand—some Plurality—48 of 58 Precincts In.

Never were the Licking county election returns slower. One by one the precincts have been reported but at 3:30 p. m. Precinct C, Fourth ward, and Fallsburg, Granville village, Hartford township and village, Pataskala, Madison, Mary Ann, Newton and Union South are missing. Precinct C officers, who have been continually at work since 5:30 p. m. Tuesday in counting the vote, report that it will be late in the day before they finish. Precinct D was completed at 12:45 p. m. Wednesday. The size of the ticket and the free scratching are responsible for the delay.

The returns from Licking county show a decided Democratic victory, every man on the local ticket being a winner by a handsome margin. The complete vote may not be received until Thursday.

Owing to the incomplete returns the tabulated vote showing the strength of each candidate in all of the precincts is deferred until Thursday.

ACCOUNTS

Of Former Railroad Counsel Were Short to the Tune of About Fifty Thousand Dollars.

St. Paul, Nov. 4.—General Solicitor W. R. Begg of the Great Northern railroad, confirmed the shortage of \$50,000 in the accounts of John Gordon of Spokane, Wash., formerly general counsel for the Great Northern at Spokane. Speaking of the matter, Mr. Begg said:

"It is true that Mr. Gordon is short in his accounts \$50,000. As I understand it he was sent two drafts to pay into court the amount of taxes in litigation in Ferry county. One of the drafts I understand was for \$30,000 and the other for \$20,000. He took the money and we are sorry."

"Has he promised to pay up?" was asked.

"Yes, but we doubt if he can do it. We have not decided whether or not we will prosecute."

TAFT IS DECLARED THE WINNER

New York Rolls Up Big Majority Pulling Hughes Through for Governor

Both Parties This Morning Claim Ohio, Indiana and Nebraska

President-elect Makes Speech Promising to Carry Out His Pledges of Campaign.

Congressman Ashbrook Re-elected and Walter A. Alsdorf Chosen Democratic Senator From this District.

William H. Taft of Ohio, has been elected president of the United States, and James S. Sherman of New York, vice president, by a safe plurality in spite of the fact that Ohio, Indiana and Nebraska are this morning claimed by both the Democrats and Republicans.

Speaker Joseph G. Cannon is re-elected, and with him safe Republican majority in the house of representatives, while the senate will continue to be Republican.

Owing to the immense ballot and general scratching the Ohio results came in very slowly, and at 4 o'clock this morning a very small proportion of the total precincts had been counted, giving both sides ample room to claim the election.

Taft and Harris both carried Cuyahoga county by safe pluralities, while Harmon claims Hamilton county.

Sifting conflicting claims, it seems probable that both Taft and Harris have carried Ohio, but the result may not be conclusively known until late today.

Indiana is very close with Marshall, Democrat, elected governor, by a safe plurality.

Taft lead in the early vote, but the later returns from the country are pulling down Taft's apparent plurality, and the Democratic chairman is claiming the state of Ohio.

New York, Nov. 4.—This morning Republican national headquarters in this city issued the following statement: Judge Taft has received about as many electoral votes as were given Mr. Roosevelt in 1904.

Ohio, Indiana, Maryland, West Virginia, Nebraska and the other so-called doubtful states have gone for Taft. Bryan may get Colorado's electoral vote, but later returns show Taft has carried Montana. The Republican majority in congress will be larger than the present. Taft swept New York state, dragging Hughes through with him.

PLURALITY WILL BE SMALL.
Returns from Indiana indicate a very close race, with Taft in the lead; plurality very small.

IDAHO FALLS IN LINE.
Boise, Idaho, Nov. 4.—Indications are that Taft will carry the state by 20,000. The Republican state ticket

et, headed by Brady. Pocattella for governor, elected by 8,000.

TAFT JOLLIES HITCHCOCK.
Mr. Taft has sent the following to Hitchcock:

"Am delighted to hear the favorable returns from all parts of the country, especially New York, and wish to express my gratitude to you for work done to facilitate accurately with which you have told the results and wonderful knowledge of the situation."

NORTH DAKOTA FOR TAFT.
The New York Herald says: "Fargo (N.D.) National Committee: James Kennedy, at 10 o'clock, says: Taft carried state, by 30,000."

BRYAN CARRIES OKLAHOMA.
Two hundred and fifty out of 2237 districts in Oklahoma indicate a Bryan plurality of 2500.

NEW YORK HERALD BULLETINS.
New York, Nov. 4.—Herald bulletins give the following Republican pluralities:

Maine, 35,000; New Hampshire, 15,000; Vermont, 28,000; Rhode Island, 10,000; Connecticut, 25,000.

Salt Lake, Utah, Nov. 4.—The chairman of the Republican committee claims Utah for Republicans by 25,000.

RHODE ISLAND FOR TAFT.
Rhode Island, Nov. 4.—Thirty districts out of 161, indicate that Taft has carried the state by a plurality greatly reduced from that of Roosevelt in 1904. The vote for Taft is, 5618; Bryan, 3403.

ARKANSAS FOR BRYAN.
Little Rock, Ark., Nov. 4.—Bryan carried Arkansas by a reduced majority. All Democratic congressmen were elected.

DENVER VOTE.
Denver, Colo., Nov. 4.—Five precincts out of 148, in Denver, gives Taft, 327; Bryan, 341.

NORTH DAKOTA ELECTS DEMOCRATIC GOVERNOR.
North Dakota, Nov. 4.—Republicans concede election of Burke, Democrat, governor, balance of Republican ticket and both Republican

PRESIDENT WM. H. TAFT.

congressmen elected by good plurality.

PENNSYLVANIA MAKES GAINS.
Philadelphia, Pa., Nov. 4.—Republican leaders claim Pennsylvania for Taft by over 300,000 plurality; legislature overwhelmingly Republican.

DEMOCRATS PROBABLY ELECT MARSHALL.
Indianapolis, Ind., Nov. 4.—Five hundred and thirteen precincts gives Taft, 59,208; Bryan, 55,575. Same in 1904, gave Roosevelt, 53,647; Parker, 45,835.

Associated-Press says, the present ratio indicates Taft will carry Indiana by 18,000.

Indianapolis, Ind., Nov. 4.—Republican Chairman Goodrich concedes the election of Marshall for governor.

OHIO NEWS.
Columbus, O., Nov. 4.—Basing the estimate on 435 out of 4430 precincts in Ohio for Taft, it is said that he will carry the state by about 25,000. Roosevelt's plurality in 1904, was 25,421.

Columbus, O., Nov. 4.—Five hundred and seventy-nine precincts gives Taft, 58,124; Bryan, 46,649. Same gave in 1904, Roosevelt, 63,651; Parker, 35,996.

Columbus, O., Nov. 4.—State Chairman Williams says that Ohio is for Taft with a majority of 100,000. He also claims 50,000 plurality for Harris in Ohio.

Cincinnati, O., Nov. 4.—One hundred and eighty-six precincts gives Taft, 2701; Bryan, 2457. One hundred and ninety-four precincts gives Taft, 16,759; Bryan, 14,641. Same in 1904 gave Roosevelt, 19,247; Parker, 12,518. (Continued on Page 4, Col. 1.)

ALSDORF WINS

Johnstown Man Elected Senator, Defeating Republican Opponent, Mr. Marshall.

Twenty-three out of the 53 precincts in Licking county, give Walter

pendent at 3 o'clock this morning, says, the indications are that Bryan, Harmon and Alsdorf will carry Perry county.

The Advocate's Zanesville correspondent wires at 3:30 a. m.: Returns from ten precincts out of sixty-three in Muskingum county, give Alsdorf a lead of 100, but the returns there are too light to base an estimate.

W. A. ALSDORF

A. Alsdorf of Johnstown, Democratic candidate for senate, 2467, and his Republican opponent, Mr. Marshall, 1919. It is estimated that Mr. Alsdorf will carry Licking county by 500 to 600.

A special telegram to The Advocate from its New Lexington cor-

Delaware has ten precincts reported up to 3 o'clock. Mr. Alsdorf will probably lose but the county is 246.

Mr. Alsdorf was in the city this morning receiving returns and reports from the four counties in the senatorial district, estimates that he will have a plurality of 600 to 700.

6 O'CLOCK A. M. EXTRA

WM. A. ASHBROOK

Re-elected Seventeenth District Congressman—Runs Ahead of Ticket in Licking.

Congressman William A. Ashbrook of Johnstown, has been re-elected as the Seventeenth Ohio district's representative by a handsome plurality.

Ashbrook received a big complimentary vote.

The counties comprising the Seventeenth district are Coshocton, Licking, Holmes, Tuscarawas and Wayne.

Coshocton sends the following to The Advocate:

"At 3 o'clock, this morning, thirteen out of thirty-nine precincts indicate that Bryan will carry Coshocton county by 300, and Ashbrook will have a plurality of about 600. The Republicans will probably elect

HON. WM. A. ASHBROOK.

Twenty-three Licking county precincts give Mr. Ashbrook 2888, and Mr. Harrison (Rep.), 1841. Mr. Ashbrook estimates that he will carry Licking county by 600 plurality. In his home town, Johnstown, Mr.

their auditor, sheriff, probate judge, and recorder, with the representative in doubt."

Returns from Tuscarawas, Holmes, and Wayne are incomplete, but the indications point to a good, safe plurality for Mr. Ashbrook.

TAFT SPEAKS

President-elect Promises to Carry Out Pledges Made in Speeches in Campaign.

Cincinnati, O., Nov. 4.—At Cincinnati to the home of C. P. Taft seemed assured, the people turned en masse to the home of C. P. Taft and the candidate was compelled to appear on the porch and address a great crowd. He thanked them for the interest shown and promised if the victory was as great as indicated, involving both the house and senate, that he would carry out the pledges made in his speeches and in the platform and restore prosperity with a business administration.

From meagre returns Taft has apparently carried his home county by 9,000, while Harmon may double these figures and carry the county by 17,000 to 18,000.

The entire state, including a majority of the congressional delegation, is still in doubt.

MRS. F. G. STEELE

Has Narrow Escape Tuesday Evening From Being Seriously Burned—Apron Caught Fire.

While Mrs. Steele, wife of Captain F. G. Steele, was engaged in preparing supper, Tuesday evening, her apron caught fire from a gas stove, and, for a moment or two, it looked as though she would be seriously burned. The captain, however, rushed to the rescue and quickly succeeded in extinguishing the fire, although one of his hands was badly burned.

ELECTION RETURNS

The Y. M. C. A. furnished excellent election returns Tuesday night, and held a large crowd for several hours. As fast as the news was received it was thrown on the walls and reports from the four counties in the senatorial district, estimates that he will have a plurality of 600 to 700.

BRYAN GAINS

Nebraskan May Carry His Home State by 15,000—Sheldon Defeated.

Lincoln, Neb., Nov. 4.—This morning returns from 280 Nebraska precincts, outside of Douglas county, show that Bryan is still maintaining a net gain of eight to ten votes to a precinct. If maintained for the state, it will give him the state of 10,000 to 15,000. Governor Sheldon, Republican, is probably defeated for re-election by Shallenberge.

SLOW CITY RETURNS.

In Precinct D, third ward, Newark, there were 131 mixed tickets. The count in this precinct was completed at 4 o'clock. At 4:30 a. m., in six city precincts, the count was still in progress.

BOY SUFFERS BROKEN ARM

Walter, the little 6-year-old son of Mr. and Mrs. James E. Miller, of North Clinton street, had the misfortune to meet with a very painful accident, Tuesday evening. The little son was playing about the premises when he fell into an excavation that had been made for a cellar, and broke one of his arms between the elbow and wrist. A physician was called and the radius was reduced, and the little fellow is reported as resting easy at his writing.

ALARM OF FIRE ELECTION NIGHT

A still alarm of fire, sent in Tuesday night about 7:30 o'clock, called the Central company to 129 South Fourth street, where an electric light was thrown on the walls and reports from the four counties in the senatorial district, estimates that he will have a plurality of 600 to 700.

BATHING AT DIEPPE.
When the Comtesse de Boigne Tried It in the Year 1806.

The Comtesse de Boigne in her memoirs gives an account of a visit she paid in 1806, which is interesting in view of the position Dieppe now holds among French watering places.
"The poverty of the inhabitants," she says, "was frightful. The Englishman, as they called him (and for them he was worse than the devil, was cruising incessantly before their empty harbor. With much difficulty a boat was able to escape from time to time and go fishing, always at the risk of being captured by the foreigner or confiscated upon the return journey if the telescopes of the watchers had seen it approach a vessel."

"As for the comforts arranged for the convenience of bathers which Dieppe has since organized, they were nonexistent at that time. My brother was able to find a little covered cart, and with great trouble and great expense, notwithstanding the universal poverty, a man was hired to lead the horses down to the sea and two women to go into the sea with me."

"These preparations raised the public surprise and curiosity to such a pitch that my first bath was watched by a crowd on the shore. My servants were asked if I had been bitten by a mad dog."

"I aroused extreme pity as I went by, and it was thought that I was being taken down to be drowned. An old gentleman called on my father to point out to him that he was assuming a great responsibility in permitting so rash an act. It can hardly be imagined that the inhabitants of a sea-shore could be so afraid of the sea."

"But at that time the people of Dieppe were chiefly occupied in keeping out of sight of it and in protecting themselves from the disasters which they feared the sea might bring, so that it was for them nothing more than a means of annoyance and suffering. It is curious to think that ten years later bathers were arriving in hundreds, that special arrangements were made for their convenience and that sea bathing of every kind went on without producing any astonishment in the neighborhood."

"I have thus attempted to point out that the custom of sea bathing, which is now so universal, is comparatively recent in France, for Dieppe was the first place where it began."

TREE DWELLING ANTS.
South American Insect That Acts as Plant Guardian.

Ant defenders of plants and trees are some of nature's pretty marvels. The Cecropia adenopus is a remarkable tree of south Brazil, widely distributed through the tropics. Its slender trunk is crowded with long leaves at the ends of the branches.

A few active ants run continually along the branches and the leaves, but if the tree is shaken slightly an army of ants rushes out by small apertures ready for a savage assault on the intruder. The ant is the terrible guardian that the tree has retained to protect it from its most formidable enemy, the leaf cutter ant.

The defenders rarely leave their retreat, where they live on small whitish egg shaped bodies about one-twelfth of an inch long, known as Mueller's corpuscles. These are formed of delicate tissue, rich in proteins and oil, as rations for the garrison of defender ants to feed upon. The curious arrangement by which entrance is made to the hollow stem has been studied by W. Schimper.

Just above the point of insertion of each leaf extends nearly to the superior node a superficial groove, at whose end is a rounded depression. There the tissue is thin, like a diaphragm in a tube, and it also is soft. The hole by which the ant enters is always pierced at this spot. The ants seem to have made their entrance through the groove originally because it was at the top. In the course of this plant's further development natural selection augmented these natural advantages, so that finally the thin, frail diaphragm as it exists today was developed.—Chicago Tribune.

Married the Day They Met.
Hornace Greeley and Mary Young Cheney were married the first day they met. They had corresponded for some time, a common friend who was something of a matchmaker having brought this about. She was all his fancy painted her, but she was much disappointed in his appearance, so much so that when he appeared before her, having proposed and been accepted by letter, she frankly told him that, although she married him, she was not in love with him. Their married life was long and happy, and the loss of his wife was a blow which Greeley did not long survive.

Tommy's Lunch.
Uncle (who left his nephew "refreshing")—Well, Tommy, you see I'm back. Are you ready? What have I to pay, miss? Waitress—Three buns, four sponge cakes, two sandwiches, one jelly, five tartis and—Uncle—Good gracious, boy! Ate you not ill? Tommy—No, uncle, but I'm very thirsty.—London Tit-Bits.

British Pride.
British hypocrisy is gradually disappearing. Until a few years ago most Englishmen fancied that to be born in the United Kingdom was to be a paragon of all the virtues.—Russell's Sign.

Envy.
"Don't be covetous," said Uncle Eben. "Envyin' what yoh neighbor has is mighty apt to put de opportunity in yoh neighbor's way for him to shoo a gold brick."—Washington Star.

THE GAMING PASSION
Incidents in Actual Life That Outstrip Fiction.

A COLD BLOODED MONARCH.

Louis XV. and the Dead Man at the Card Table—A Woman Who Gambled on Her Deathbed—Lord Denison's Play While His Bride Waited at the Altar.

If the full story of the card table could be written it would surely be the most startling revelation of human cupidity ever published, and almost every page of it would be marked by some incident which would outstrip fiction.

When Louis XV. was at the card table the fascination of the game made him absolutely dead to all externals and even to decency and humanity. On one occasion when he was playing for heavy stakes one of his opponents, overcome by excitement, collapsed in his chair in a fit of apoplexy. His majesty affected to ignore the incident until some one exclaimed, "M. de Chauvelin is ill!" "Ill?" retorted the king, casting a careless glance at the stricken man; "he is dead. Take him away. Spades are trumps, gentlemen."

Equally weird is a story Goldsmith tells. When the clergyman arrived to prepare a lady parishioner who had a passion for gambling for her approaching death the lady after listening for a short time to his exhortation exclaimed: "That's enough! Now let us have a game of cards." To humor her the parson consented to play. The dying woman won all his money and had just suggested playing for her funeral fee when she fell back and expired.

In the early years of last century a club composed largely of clergymen used to meet in the back room of a barber's shop in a Somersetshire town. On one occasion, so the story runs, when four of the club members were acting as pullbearers at the funeral of a reverend brother, some delay occurred, and the coffin was set down in the chancel. One of them produced a pack of cards and suggested a rubber. The coffin served the purpose of a table, and the players were deeply immersed in the game when the sexton arrived to announce that everyting was at last ready.

Mazarin's passion for gambling was so strong even in death that he played cards to the very end, when he was so weak that they had to be held for him, and the "merry monarch" spent his last Sunday on earth playing at basset round a large table with his great courtiers and other dissolute persons and with a bank of at least £2,000 before him.

The curious fascination cards possess for their devotees is illustrated by the following story of Lord Granville, at the time ambassador to France. One afternoon when he was about to return to Paris he repaired to Graham's to have a farewell game of whist, ordering his carriage to be at the door at 4. When it arrived he was much too deep in the game to be disturbed. At 10 o'clock he sent out to say that he was not ready and that the horses had better be changed. Six hours later the same message was sent out, and twice more the waiting horses were changed before he consented to leave the table after losing £10,000.

An equally remarkable story is told of George Payne, the great turf plunger of seventy years ago. On one occasion he sat down at Limmer's hotel to play cards with Lord Albert Denison, later the first Lord Londesborough. Hour after hour passed. The game proceeded all through the night and long after day dawned, and it was not until an urgent message came to tell Lord Albert that his bride was waiting for him at the altar of St. George's, Hanover square, that the cards were at last flung down. It was Lord Albert's wedding day, and he met his bride £30,000 poorer than when he left her on the previous day.

One of the most romantic of gambling stories is told by Mr. Thelston-Dyer of a plainly dressed stranger who once took his seat at a faro table and after an extraordinary run of luck succeeded in breaking the bank. "Heavens," exclaimed an old, infirm Austrian officer who had sat next to the stranger, "the twentieth part of your gains would make me the happiest man in the world!" "You shall have it, then," answered the stranger as he left the room.

A servant speedily returned and presented the officer with the twentieth part of the bank, adding, "My master, sir, requires no answer." The successful stranger was soon discovered to be the king of Prussia in disguise.

The most costly game of cards on record was probably that in which the late George McCulloch, chairman of the Broken Hill Proprietary company, once took part. A syndicate of seven had been formed to finance the famous Broken Hill silver mine, and Mr. McCulloch was one of the seven. One day, while sitting in a shanty at the foot of the hill, McCulloch offered a fourteenth share in the mine to a young man named Cox for £200.

Cox would only offer £120, and after much haggling it was decided to settle the dispute by a game of cards. If Cox proved the winner he was to have the share for £120. If he lost he was to pay £180 for it. He won and for the absurd sum of £120 became owner of the share which a few years later was valued at £1,250,000.—London Tit-Bits.

DOG SUFFERING WITH RABIES BITES MRS. JOHNS ---TO PASTEUR INSTITUTE

Another victim has been added to the already too long list of persons bitten with dogs suffering from rabies, during the past two months. Fourteen persons have been bitten by dogs suffering with rabies during the past few weeks, although some of them have resulted fatally. The majority of the cases have been treated at the Pasteur Institute in Chicago.

The last victim is Mrs. Parker Johns, who resides with her family on German street, in the southern part of the city. Mr. Johns, for some time has been the owner of an exceedingly valuable bulldog. He has always appeared in the best of health and was a great pet in the family. Monday, Mrs. Johns was engaged with her household duties when her attention was attracted to the bulldog by his low, savage growling. Looking out of the window she noticed that he had a small fever in his grasp and that he was tearing it to pieces. Rushing out into the yard she dashed a bucket of hot water over the savage dog, but he paid no attention to it and continued mauling the little dog. Mrs. Johns attempted to pull him off when the animal snapped at one of her hands, biting one of the fingers nearly off. Mrs. Johns finally succeeded in beating the vicious animal off. Dr. Priest, the well-known veterinary surgeon, was called, and after making an examination pronounced the dog to be suffering with rabies of the most dangerous type. Tuesday Mr. Johns took the dog to the office of Dr. Priest, and after consultation, the doctor killed the dog by shooting it. The head was then severed from the animal and sent to the Ohio State university, where Dr. Phillips analyzed it and in a few moments gave out his verdict that the

dog had been suffering with rabies at the time it was killed.

Mrs. Johns will leave today for Chicago where she will seek treatment at the Pasteur Institute.

NEW YORK'S BOWERY.

Why the Upper Part of It Was Named Fourth Avenue.

In the early forties of the last century there lived in Brooklyn a Mr. and Mrs. Smith. Mr. Smith was a rising civil engineer, and most of his work was in New York. It was necessary that he be nearer his place of business than Brooklyn, for in those days ferries were slow and infrequent, no bridges spanned the river, and horse cars were the speediest means of transit. Being a man of moderate means, Mr. Smith went house hunting through the streets of New York, seeking a modest but respectable abode. Near the upper end of the Bowery he found a small house. Elated with his success, he rushed home with the news to his wife. But when he mentioned the name of the street in which this house stood his wife's face fell.

"How could you think of it?" she asked. Smith was in despair. Even as far back as 1840 the Bowery had acquired an unenviable reputation. Mr. Smith tried to explain that the upper part of the Bowery was still unspoiled; that many very respectable people lived in that part of town; that it would be many long years before crime and sin would spread that far north.

It was all wasted energy. The fact that she would be living on the Bowery was sufficient for Mrs. Smith.

As a civil engineer it was Mr. Smith's custom to overcome obstacles. The following day he hired a conveyance, and he and Mrs. Smith went house hunting together. Mrs. Smith knew her Brooklyn thoroughly, but had only a slight acquaintance with New York. After driving through

many streets without finding a suitable house the husband quietly turned into the Bowery at Union square and slowly walked the horse in the direction of the house he had found the previous day.

Suddenly Mrs. Smith exclaimed, "Why, there's a pretty place to let, dear!"

"Where?" listlessly questioned her husband, purposely looking in the opposite direction. Had Mrs. Smith not been so intent upon the house in question she might have noticed the merry twinkle in her husband's eyes and suspected something.

"Right over there," she replied, pointing to the house with the "To Let" sign.

An examination of the premises convinced Mrs. Smith that she must have the place, and when she learned that her neighbors were old friends of hers she had her husband close the bargain at once.

All this time no mention was made of the street. How Smith managed to move into the house and keep Mrs. Smith in the dark as to the name of the street is a mystery. But there came a day, and there was a storm. The fear fell was something heretofore unknown in the Smith household.

Once again Mr. Smith's habit of overcoming obstacles stood him in good stead. His wife would not live on the Bowery. Her home was ideal, her neighbors were good people, but they lived on the Bowery. So Smith and one of his neighbors went before the board of aldermen. The neighbor had influence. The street signs from Union square down to Fourth street were changed. Instead of "Bowery" the words "Fourth Avenue" were substituted.

And Mrs. Smith was happy ever after.—New York World.

THE CARNAGE OF WAR

Story of a Survivor of the Battle of Gravelotte.

INTO THE JAWS OF DEATH.

An Advance Under Fire From Behind Barricades That Literally Mowed Down the Charging Troops—A Hand to Hand Conflict in the Streets.

William Guldner, a survivor of the battle of Gravelotte, the most hard fought victory of the Franco-Prussian war, tells in Harper's Magazine how he saw the victory as color bearer of his regiment.

"It must have been, I think, about 4 o'clock when Colonel von Boehn rode to the head of the regiment, and we all straightened quick, as on parade. And he said sharp a few words, something like, 'Men, the regiment has a good name, and you will give it a still better one.' I was in front and could hear part of what he said.

"The colonel led us to the left, and we crossed a railroad track and went through another little white village, and then we faced a slope—a long slope—with a village on it, which the French had made into a fort, and we, our regiment and others, were to capture it, and there were many Frenchmen and cannon there.

"The colonel rode on a horse, he and the majors and the adjutants. Our captains usually rode, too, but this day the captains sent their horses back and went on foot.

"And soon our first men began to fall, for we came under the fire of the chasseur. It was hard, for we could not see the enemy. These first ones were many sharpshooters in a ditch, and the noise of their firing was like that of a coffee mill—kr-r-r-r-r! They drew off as we went forward. It was only at a walk that we went—a steady walk, just as if there were no bullets there.

"And now we would run forward fifty yards and throw ourselves flat, then another fifty yards and the halt and the falling flat, and each time we could see the village that was a fortress nearer.

"And once when we were lying down and I saw that the officers were standing, just cool and quiet, it came to me that a man has to pay in such ways to be an officer.

"I saw the colonel fall. He was shot from his horse and carried back.

"The first major, he took command, and he galloped to the skirmish line, and he was shot. Then the second major, too, was shot, and he tried to get up, but he could not stand, and he sat on a big stone and shouted: 'Go on! Go on!' And he took a gun from a dead man and fired it.

"We were ordered to fix bayonets, and that made us glad, but even yet the men carried their rifles on their shoulders as they ran. We were not near enough to charge with bayonets.

"I wish I could tell you what it was like as we got near that village of St. Privat—the noise, the smoke, the flashes, the falling men and only one desire in our hearts.

"There were three sergeants in the color section, one at each side of me. And first the one at my right was killed. Then the one at my left was shot—eight big bullets in his body from a mitrailleuse—eight! Yet he afterward got well, while many a man died from only one little bullet.

"And at last we went at a bayonet charge, and for the first time there was a cheer, a wild and savage cheer, and we ran on, eager to plunge the bayonets, and we could see as we came near the village that the French were firing from behind barricades and garden walls and from windows.

"And we looked into the wild faces of the French, and they met us hand to hand. Ah, we climbed over walls and barricades, and we fired and bayoneted, and we fought them in the streets!

"On and on we went. It was a wild time of shooting, bayoneting, wrestling, clubbing, shouting. On and on, but it was slow work and terrible, for the French fought for every step.

"I was at the front, for I had the colors. There were a few officers still left, and they were shouting and waving their swords, and other regiments stormed into the village with us, and after awhile—I can't say how long—the place was ours.

"As I tell it to you it seems perhaps a simple thing. But when the regiment was paraded before the battle began we were more than 2,000 men and more than fifty officers, and we lost in the fight forty officers and more than a thousand men. Yes, that was the loss of just my regiment alone. It was mortals, but it was necessary.

"Well, it was over. The village was blazing, and many a dead man lay in the ruins. Some sat upright, dead, with their backs against walls.

India's Fame.

They were holding an "exam" in an east London school, and the teacher was explaining the chief products of the Indian empire. One child read a list of comestibles: "Please, miss, India produces curries and pepper and citron and chutney and chutney and—" "Yes, yes, and what comes after that?" "Please, miss, I don't remember." "Yes, but think, what is India so famous for?" "Please, miss, India-gestation."
